EDUCATION

Master's degree in Computer Science

University of Trento

2025 – Present

Trento, Italy

– **Coursework:** Data Mining, GPU Computing, Cloud/Fog Computing, Cyber Security, Data Analytics, Distributed Systems

Bachelor's degree in Computer Science

University of Insubria

2022 – 2025

Varese, Italy

– **Coursework:** Databases, Software Engineering, Operating Systems, Cybersecurity, IoT, Networks | **Final Grade:** 101/110

High School Diploma in Electronics & Robotics

ITIS L. Geymonat

2016 – 2022

Tradate, Italy

– **Coursework:** Electronics, Automata Systems, Electronic System Design, Robotics | **Final Grade:** 92/100

INTERNSHIPS & PROJECTS

GPU-Accelerated SpMV Benchmarking

University of Trento

2026

Trento, Italy

– Implemented SpMV on CPU (OpenMP) and GPU (CUDA, cuSPARSE); optimized CUDA kernels via CSR-Vector format for memory coalescence and benchmarked GFLOPS, bandwidth, and cache behavior.

NYC Uber Mobility Data Mining

University of Trento

2026

Trento, Italy

– Analyzed 3.9M+ Uber records using K-Means, Folium, and NetworkX; trained a Random Forest Regressor ($R^2 = 0.854$) to forecast hourly spatial pickup demand.

Weather & Climate Knowledge Graph

University of Trento

2026

Trento, Italy

– Built an RDF/Turtle Knowledge Graph using iTelos methodology; mapped open data to an OWL ontology using Karma and queried microclimate trends with SPARQL in GraphDB.

Web Developer | Autofficina Formica

Freelance Project

2026

Varese, Italy

– Designed and deployed a responsive business website (autofficinaformica.it) using HTML5, CSS3, and JavaScript.

Curricular Intern

DISTA – University of Insubria

2025

Varese, Italy

– **Research Thesis:** Performance and Robustness Analysis of a Microservices-Based System for Distributed Railway Applications.

Avionics Assembly Intern

Leonardo S.p.A.

2021

Venegono Inferiore (VA), Italy

– Assisted with data bus wiring and electronic component integration for the M-346 aircraft.

TECHNICAL SKILLS

Languages: C, C++, CUDA, Java, Python, JavaScript (React.js), HTML/CSS, SQL

Databases & Cloud: PostgreSQL, MySQL, MongoDB, Docker, Kubernetes

Tools & Frameworks: OpenMP, Scikit-learn, Pandas, NetworkX, Folium, GraphDB, Protégé, Karma, Node-RED, Git, Linux/SLURM

IoT & Protocols: Arduino, MQTT

LANGUAGES & SOFT SKILLS

Languages: Italian (Mother tongue), English (B2 IELTS – Writing, Speaking)

Soft Skills: Problem Solving, Teamwork, Initiative, Working under tight deadlines
